**Jill Davis**  
**Superintendent/Director**

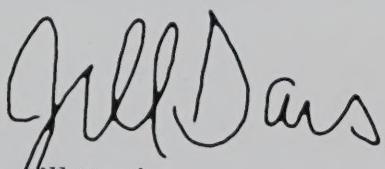

*Congratulations Class of 2020! You made it!*

This was not the senior year that you envisioned. The world was turned upside down by a global pandemic. Yet, in a time marked by fear, you were fearless. That is exactly how we will remember you. Embracing online learning, keeping up with your studies, many of you while working, at the same time inspiring each other to keep going despite all the challenges and uncertainties.

As you go forward and prepare to leave your footprint in the world, I want you to carry that same resilience and courage with you. Don't focus on what you have lost; focus on what you have gained: adaptability, perseverance, and strength. Anytime you face a challenge that shakes the belief in yourself, remember what this time has taught you. You can rise above anything that seeks to weigh you down. You are, and will always be, GRYPHON STRONG!

Sincerely,

  
Jill Davis

Superintendent-Director

Congratulations!
